Description :

Prsentation de l'diteurHow is this book unique?Unabridged (100% Original content)Formatted for e-readerFont adjustments biography includedIllustratedAbout Alice in Wonderland by Lewis Carroll Alice's Adventures in Wonderland (commonly shortened to Alice in Wonderland) is an 1865 novel written by English author Charles Lutwidge Dodgson under the pseudonym Lewis Carroll. It tells of a girl named Alice falling through a rabbit hole into a fantasy world populated by peculiar, anthropomorphic creatures. The tale

plays with logic, giving the story lasting popularity with adults as well as with children. It is considered to be one of the best examples of the literary nonsense genre. Its narrative course and structure, characters and imagery have been enormously influential in both popular culture and literature, especially in the fantasy genre. .frATTENTION : La reliure de ce livre est "Rough Cut" c'est pourquoi les bords sont mal coupés. Ce n'est pas quelque sorte de dfaut de fabrication, c'est plutt une sorte de reliure utilise pour donner un aspect ancien aux livres..comLewis Carroll's Alice's Adventures in Wonderland has continuously delighted readers, young and old, for more than a century. This classic tale, interpreted by many outstanding artists over the years, is a remarkable story of one little girl who embarks on possibly one of the most amazing adventures in literary history. In this stunning special edition, Helen Oxenbury turns her hand to what is certainly no small project and has succeeded in surpassing expectation. More abundantly illustrated than other editions of the same work, this unabridged version is packed with contemporary and accessible interpretations of the kaleidoscope of characters--the White Rabbit, the Mad Hatter, the Cheshire Cat, the Queen of Hearts--who have each captured the imaginations of generations of children. Alice herself is portrayed as a thoroughly modern miss--casually dressed, personable, and spirited--and her surroundings are brought to effervescent life with a warmth, depth, and distinctive sense of humor that perfectly complement the shenanigans of the topsy-turvy world of Wonderland. (Ages 7 and older) --Susan Harrison, .co.uk
