Atlantis: "[Throne of Atlantis] is showing many of the same qualities that make Sinestro Corps such a standout comic book event. It's dramatic, engaging, and expertly rendered." IGN "Romance. Superpowers. Atlantean invasions. Geoff Johns, paired with ... Ivan Reis, sets up a nice starting point for the "Throne of Atlantis," balancing characterization and widescreen action with equal enthusiasm." Newsarama "Johns has found his stride on this book and it certainly helps that the art team of Reis, Prado and Reis have come along for the adventure."
