## Description :

Presentation de l'diteurPosing is one of the most difficult aspects of portrait photography. Doug Box presents an introduction to posing basics, showing the reader how to emphasise the best features of their sitter and create successful imagery. This essential volume, illustrated with Box's own stunning images, will further the reader's photography skills and provide a lasting reference tool. Included are case studies to provide a perfect visual reference that allows readers to quickly re-create a portrait look that suits their client's demands.Presentation de l'diteurPosing is one of the most difficult aspects of portrait photography.
