## Description :

Prsentation de l'diteurDry Bones That Dream is the seventh novel in Peter Robinson's Inspector Banks series, following on from Wednesday's Child.It was 2.47 a.m. when Chief Inspector Alan Banks arrived at the barn and saw the body of Keith Rothwell for the first time. Only hours earlier two masked men had walked the mild-mannered accountant out of his farmhouse and clinically blasted him with a shotgun. Clearly this is a professional hit - but Keith was hardly the sort of person to make deadly enemies. Or was he? For the police investigation soon raises more questions than answers. And who, exactly, is Robert Clavert? The more Banks scratches the surface, the more he wonders what lies beneath the veneer of the apparently happy Rothwell family. And when his old sparring partner Detective Superintendent Richard Burgess arrives from Scotland Yard, the case take yet another unexpected twist . . .BooklistIn the Yorkshire

countryside, middle-aged accountant and financial consultant Keith Rothwell is murdered while his wife and daughter are forced to watch. Detective Inspector Alan Banks and his assistant, Constable Susan Gay, are the lead investigators on the case. As Banks and Gay investigate, they reveal the victim to have been a conservative, quiet man virtually devoid of personality and style. But then a beautiful young musician sees Rothwell's picture in the paper and reveals that he had a secret life: as Robert Calvert, the musician's former lover. Meanwhile, Rothwell's financial dealings are coming into focus: he was skimming from one of his clients, a drug-dealing Caribbean dictator, and may have been murdered for his transgressions. The few loose ends to the case trouble Banks, and he pursues them until he draws a surprising conclusion.
