Description :

Prsentation de l'diteurA murder in the Philippines, a kidnapping in Thailand, grand theft auto in Singapore; it's just another day at the office for CF Wongand his slacker assistant Joyce. More feng shui master than detective, Wong would much rather get paid, go home and put his feet up, but that's just not going to happen. They are in demand - all over Asia! Perplexing crimes, ingenious schemes, exotic locations and bucketloads of charm, The Feng Shui Detective's Casebook is Vittachi at his witty, original best.Revue de presse'Should bear a large red label warning against its being read while consuming beverages, lest unwary readers wind up spitting tea through their nose as I did.' --That's BeijingAsia s funniest, most pungent columnist and author --Herald SunPrsentation de l'diteurA murder in the Philippines, a kidnapping in Thailand, grand theft
