Description :

Prsentation de l'diteurWhen an Amish teenager disappears, its only the beginning . . . Becca slogged through a deep drift and stumbled toward the front of the shanty. A padlock hung from the hasp, but it wasn't engaged. Shaking with cold, she shoved open the door. The interior was dark and hushed. The air smelled of kerosene and fish. Out of the wind, it was so quiet she could hear the ice creaking beneath her feet. Her breath puffing out in clouds of white vapour, she pulled out the candle and matches shed brought from home and lit the wick. The light revealed a small interior with plywood walls and a shelf covered with fish blood and a smattering of silver scales. A lantern sat on the shelf. A coil of rope hung on the wall . . . Three teenagers have vanished from Ohios Amish country. The only thing they have in common, other than their religion, is they are keen to leave the Plain Life. Chief of Police Kate Burkholder is called in to consult by

Agent John Tomasetti as her Amish roots will be invaluable in an investigation involving this sectarian society. They travel to the small town of Monongahela Falls to investigate the latest disappearance that of seventeen-year-old Annie King. The only evidence left behind is a satchel and a pool of blood. The case moves closer to home for Kate when a young relative, Sadie Miller, vanishes. With her own past resonating, Kate delves into the lives of the missing teens. Soon, a sinister pattern emerges along with a vital clue that changes everything. While following up on a lead, Kate makes an appalling discovery and unearths a secret no one could have imagined thrusting her into a fight to the death with a merciless killer.
