Revue de presse "Hearne, a self-professed comic-book nerd, has turned his love of awesome dudes whacking mightily at evil villains into a superb urban fantasy debut. Staying alive for 2,000 years takes a great deal of cunning, and sexy super-druid Atticus O'Sullivan, currently holed up in the Arizona desert, has vexed a few VIPs along the way. High up on that list is Aenghus, the Celtic god of love. It's not just that Aenghus wants his sword back though it is a very nice magical sword but that Atticus didn't exactly ask permission to take it. Atticus and his trusty sidekick, Irish wolfhound Oberon, make an eminently readable daring duo as they dodge Aenghus's minions and thwart his schemes with plenty of quips and zap-pow-bang fighting." --Publisher's Weekly, starred review

A page-turning and often laugh-out-loud funny caper through a mix of the modern and the mythic. Ari Marmell, author of *The Warlords Legacy* Celtic mythology and an ancient Druid with modern attitude mix it up in the Arizona desert in this witty new fantasy series. Kelly Meding, author of *Three Days to Dead* Kevin Hearne breathes new life into old myths, creating a world both eerily familiar and startlingly original. Nicole Peeler, author of *Tempest Rising*
