Description :

Prsentation de l'diteurHow To Be Parisian brilliantly deconstructs the French woman's views on culture, fashion and attitude. Bohemian free-thinkers and iconoclasts, Anne Berest, Caroline De Maigret, Audrey Diwan and Sophie Mas cut through the myths in this gorgeous, witty guide to Parisienne savoir faire. These modern Parisiennes say what you don't expect to hear, just the way you want to hear it. They are not against smoking in bed, and all for art, politics and culture, making everything look easy, and going against the grain. They will take you on a first date, to a party and through a hangover. They will tell you how to be mysterious and sensual, make your boyfriend jealous, the right way to approach weddings and the gym, and they will share their address book in Paris for where to go at the end of the night, for a birthday, for a smart date, for vintage finds and much more.Full of wit and self-deprecating humour, How To Be Parisian explains those confusing subjects of clothes, makeup, men, culture and lifestyle as only a true Parisienne can.Revue de presse"This saucy guide to French chic has a charming authorit. Its also curiously persuasive."
