His kidwhom Blakes never even met. Not to mention that most of his old haunts, including Hoppers, are gone, replaced by a gleaming new shopping mall. But like the Doc says, change isnt always for the better. A mysterious opposition group calling itself the Old Guard has expressed its displeasure with the development in the local newspaper. Now words are no longer enough, and they want

Blake to enforce their message the old-fashioned way. But Blake just wants to do right by his son, a simple dream made all the more complicated once he realizes Mangel won't let him go without a fight.
