information in this book goes beyond the camera itself and also covers basic photography technique. Biographie de l'auteur Darrell Young (DigitalDarrell) is a full-time author and professional photographer with a background in information technology engineering. He has been an avid photographer since 1968 when his mother gave him a Brownie Hawkeye camera. Darrell has used Nikon cameras and Nikkor lenses since 1980. He has an incurable case of Nikon Acquisition Syndrome (NAS) and delights in working with Nikonian's newest digital cameras. Living near Great Smoky Mountains National Park and the Blue Ridge Parkway has given him a real concern for the natural environment and a deep interest in nature photography. You'll often find Darrell standing behind a tripod in the beautiful mountains of Tennessee and North Carolina. He loves to write, as you can see in the Resources area of the Nikonians Online community (www.Nikonians.org) and at his Master Your Nikon blog (MasterYourNikon.com). He joined the Nikonians community in the year 2000, and his literary contributions led to his invitation to become the founding member of the Nikonians Writers Guild.
