## Description :

Prsentation de l'diteurEach year, Scott Kelby, Editor-in-Chief of Photoshop User magazine and the #1 best-selling Photoshop author, trains literally thousands of photographers on how to retouch portraits using Photoshop through his live seminars, online classes, DVDs, and standing-room only workshops at the Photoshop World Conference Expo. Now you can learn the same techniques he uses in his own retouching workflow, in the only book of its kindone written expressly for photographers who do their own retouching.

As a pro photographer himself, Scott understands that photographers make their living shooting, not retouching. But, delivering fully retouched images is now expected by clients. Thats why Scott put together this amazing resource for teaching photographers the quickest, easiest, and most effective ways to create professional-looking, retouched final images without spending hours grinding away at painstaking, detailed techniques. LEARN HOW THE PROS DO IT Its all herethe step-by-step methods for fixing, enhancing, and finishing your portraits in Photoshop. Using the techniques in this book, youll create images that will absolutely wow your clients. Youll learn: How to soften skin and still retain detail and texture The best

tricks for beautifully enhancing eyes, eyebrows, and eyelashes How to selectively sharpen portraits without complicated masking How to create gorgeous-looking lips How to remove blemishes fast and keep the most detail The pros tricks for body sculpting How to make your subjects hair look fabulous How to give your retouches that natural look that sets them apart Plus, you get Scotts complete 5-minute, 15-minute, and 30-minute start-to-finish workflows If youre ready to learn the tricks of the tradethe same ones that todays leading pro photographers use to retouch, tuck, tighten, and tone their images for that pro-retouched lookyoure holding the book that will do exactly that. It will radically change the way you retouch your portraits from here on out, and give you the best-looking, most natural retouches youve ever done.
