**Description :** Description du produitFollowing the tremendous popular success of Jane Eyre, which earned her lifelong notoriety as a moral revolutionary, Charlotte Bront vovved to write a sweeping social chronicle that focused on "something real and unromantic as Monday morning." Set in the industrializing England of the Napoleonic wars and Luddite revolts of 1811-12, Shirley (1849) is the story of two contrasting heroines. One is the shy Caroline Helstone, who is trapped in the oppressive atmosphere of a Yorkshire rectory and whose bare life symbolizes the plight of single women in the nineteenth century. The other is the vivacious Shirley Keeldar, who inherits a local estate and whose wealth liberates her from convention. A work that combines social commentary with the more private preoccupations of Jane Eyre, Shirley demonstrates the full range of Bront's literary talent. "Shirley is a revolutionary novel," wrote Bront biographer Lyndall Gordon. "Shirley follows Jane Eyre as a new exemplar--but so much a forerunner of the feminist of the later twentieth century that it is hard to believe in her actual existence in 1811-12. She is a theoretic possibility:

what a woman might be if she combined independence and means of her own with intellect. Charlotte Brontë imagined a new form of power, equal to that of men, in a confident young woman [whose] extraordinary freedom has accustomed her to think for herself....Shirley [is] Brontë's most feminist novel."The Modern Library has played a significant role in American cultural life for the better part of a century. The series was founded in 1917 by the publishers Boni and Liveright and eight years later acquired by Bennett Cerf and Donald Klopfer. It provided the foundation for their next publishing venture, Random House. The Modern Library has been a staple of the American book trade, providing readers with affordable hard-bound editions of important works of literature and thought. For the Modern Library's seventy-fifth anniversary, Random House redesigned the series, restoring as its emblem the running torchbearer created by Lucian Bernhard in 1925 and refurbishing jackets, bindings, and type, as well as inaugurating a new program of selecting titles.

The Modern Library continues to provide the world's best books, at the best prices.

Presentation de l'auteur Shirley tells the story of conflicted mill-owner Robert Moore, whose desire to restore his family honour and fortune is in direct conflict with that of his heart. Set during the Napoleonic War in a period of economic unrest, Shirley is the tale of discovering what is most important in life: wealth and restoring one's family name or love and self-fulfillment. HarperPerennial Classics brings great works of literature to life in digital form, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library. From AudioFile Stevenson's cultured tones, good regional accents and measured pace are a match for Brontë's tale of a time when conversation was formal and conventional manners and gender roles important. Shirley is a domestic love story played out against the social unrest that followed the Industrial Revolution. The lady of the title may have been modeled on Brontë's rebellious sister, Emily, but the sympathies of writer and narrator seem to be with the more compliant preacher's ward, Caroline. Think of Shirley as a period piece, a slow-moving soap opera peopled with characters whom Brontë knew well and whom Stevenson illuminates. J.B.G.
