Description :

Prsentation de l'diteurDaniel Stockholm was fifteen years old when a parasite hijacked his brain, rendering him paralyzed and reliant on machines that run day and night to keep him alive.For nine years, Danny has been confined within a biological prison with only two small windows, through which to view the world around him; a silent witness to the selfless compassion of some and the selfish contrivance of others.When the malicious actions of care worker, Marcus Salt, threaten to push Danny farther from the ones he loves, and deeper into the dark recesses of his skin cage, he is left with only one option. He must find a way out.Prsentation de l'diteurDaniel Stockholm was fifteen years old when a parasite hijacked his brain,

rendering him paralyzed and reliant on machines that run day and night to keep him alive. For nine years, Danny has been confined within a biological prison with only two small windows, through which to view the world around him; a silent witness to the selfless compassion of some and the selfish contrivance of others. When the malicious actions of care worker, Marcus Salt, threaten to push Danny farther from the ones he loves, and deeper into the dark recesses of his skin cage, he is left with only one option. He must find a way out.
