WARRING TRIBES WHO WORSHIP GODS BOTH BENIGN AND MALEVOLENT. In this first
collection of Slines adventures we meet one such tribe, the Sessair, brave warriors of enormous skill, and the
best of them is a young barbarian named Sline Mac Roth. Sline is, among other things, a master of the warp

the warp spasm channelling the mystical power of the Earth through his body to become a mighty, monstrous berserker! This classic sword-and-sorcery series is written by 2000 AD founding editor Pat Mills (Savage) and features art by Angie Kincaid, Massimo Belardinelli (Ace Trucking) and Mike McMahon (Judge Dredd). Biographie de l'auteur Pat Mills is the creator and first editor of 2000 AD. For the Galaxy's Greatest Comic, he is the writer and co-creator of ABC Warriors, Finn, Flesh, Nemesis the Warlock, Slaine, Mach 1, Harlem Heroes and Savage. He also developed Judge Dredd and wrote one of the early Dredd serials-'The Cursed Earth.' He wrote Third World War for Crisis!, a politically-charged spinn-off from 2000 AD, and Black Siddha for the Judge Dredd Megazine. He has recently completed 'Slaine-The Books of Invasion' for 2000 AD. Outside 2000 AD, he is the writer and co-creator of the long-running classic anti-war story Charley's War, as well as Marshal Law. He has also written Batman, Star Wars and Zombie World series for the US market. Currently Mills is writing the best-selling series Requiem-Vampire Knight for Editions Nickel of France with artist Olivier Ledroit, and a spin-off series, Claudia- Vampire Knight, with artist Frank Tacito. Two further French series are in production. Mike McMahon: although McMahon may not have illustrated as many strips as other 2000 AD creators, his importance to the comic cannot be overstated. It was McMahon who co-created perennial classics A.B.C. QWarriors and The V.C.'s and it was also McMahon who gave Judge Dredd his classic, defining, "big boots" look-and two major characters in Max Normal and Rico Dredd. McMahon has also illustrated One-Offs, Ro-Busters, and provided a classic run on Slaine, where his dense woodcut-styled art wows readers young and old. Outside of the Galaxy's Greatest Comic, he has pencilled Batman: Legends of the Dark Knight and The Last American, which he co-created with John Wagner.
