Description :

Prsentation de l'diteurCollects Lando (2015) #1-5.You know him, you love him now, join him for his biggest caper ever as master of charm Lando Calrissian steps into his very own high-stakes adventure! Before he joined the rebellion, before he ran Cloud City, Lando made his way in the galaxy getting by on some swindles, some swagger and a smile. With the loyal Lobot at his side, Lando has a plan to steal a very valuable ship. But has he bitten off more than he can chew? One of the galaxy's deadliest, most effective trackers is on his tail, and the heist of a lifetime has become a fight to survive! Lando and Lobot took this gig for the easy payday but if they make it through alive, they'll never be the same. It's the tale of a scoundrel in his natural element: trouble!Revue de presse"Beautifully realised and illustrated by Alex Maleev, Charles

Soule's story is a wonderful throwback to the original trilogy that focuses on characterisation (and the relationship between its central players, and how it changes and evolves to become the one we're familiar with in *The Empire Strikes Back*) as much as plot and for any fan obsessed by that galaxy far, far away it's the perfect book to while away an afternoon with." --Mass Movement
