Description : Description du produitSecluded in his remand cell, a small-time petty criminal surrenders himself to the sadistic fantasies of hatred, rage and the powerless lust for revenge that are trapped inside him. Selby's second novel, the sequel to Last Exit To Brooklyn, is a claustrophobic descent into a man locked away in a loveless society.

Prsentation de l'diteurA terrifying journey into the darkest corners of the psyche by the author of Requiem for a Dream and Last Exit to Brooklyn (The Guardian). A small-time criminal sits alone in his cell, his mind reeling with sadistic thoughts of retribution against the police and, eventually, all those he believes have failed him throughout his life. A deeply disturbing exploration of a character the Guardian described as a genuinely frightening American Psycho, Hubert Selby Jr.s second novel is made all the more chilling by the narrators brief flashes of humanity. The Room is a tale so terrifying the author himself couldnt read it for

decades after writing it. Called brutal by the New York Times when it was first published, it is a dark masterpiece about a man who may be temporarily trapped in jail, but whose true prison is his own anger, as he is enslaved by out-of-control passions and sickening fantasies of revenge. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the authors estate.
