Description :

Prsentation de l'diteurIn The Sweet Hereafter, Russell Banks tells a story that begins with a school bus accident. Using four different narrators, Banks creates a small-town morality play that addresses one of life's most agonizing questions: when the worst thing happens, who do you blame?Revue de presse"Russell Banks' work presents without falsehood and with a tough affection the uncompromising moral voice of our time. You find the craziness of false dreams, the political inequalities and somehow the silver of redemption.

I trust his portrait of America more than any other -- the burden of it, the need for it, the hell of it." --

Michael Ondaatje"A writer of extraordinary power.... The story of Russell tells is grave and unusually urgent, his prose as careful as a trail of stones left in the forest... these voices ache with a particular brand of

reality." -- The Boston Globe "The characters are rendered with such clear-eyed affection, the central tragedy handled with such unsentimental artistry, the wonderfully named mountain hamlet of Sam Dent described in such precise (and often funny) detail, *The Sweet Hereafter* is not only Banks' most accomplished book to date, but his most accessible and ultimately affirmative. Russell Banks knows everything worth knowing... and much, much more." -- Washington Post Book World
Presentation de l'auteur
In *The Sweet Hereafter*, Russell Banks tells a story that begins with a school bus accident. Using four different narrators, Banks creates a small-town morality play that addresses one of life's most agonizing questions: when the worst thing happens, who do you blame?
