She did give away her fifteen-million-dollar inheritance, but, hey, nobody's perfect. Yes, Molly's happy about almost everything...except her long-term crush on the daredevil quarterback for the Chicago Stars, that awful, gorgeous Kevin Tucker -- a man who can't even remember her name!One night Molly's penchant for running into trouble runs right into Kevin himself, turning her world upside down. Heartbreak follows, and just when she's certain things can't get worse, Kevin forces his way back into her life. She and Kevin battle their attraction while trying to cope with an aging sex-pot actress, a cranky, world-famous artist, and a pair of teenage newlyweds.Their careers and lives are in crisis, yet they can't seem to stay away from each other. Sometimes falling in love hurts, sometimes it makes you mad as hell, and sometimes -- if you're very lucky -- it can heal in the most special and unexpected way.
