Description :

Presentation de l'diteurTIME for Kids The Big Book of Why: Really Cool People and Places answers the why, what, when, where, who and how questions about people and places in history that kids commonly ask, but adults can rarely answer. Why did the Maya build pyramids? Did Vikings really have horns on their helmets? Why did Christopher Columbus sail to America? Why did the Titanic sink? Why is the London Bridge in Arizona? Written in an upbeat manner, each answer is accompanied by either a photo or an illustration to show the reasons why. Of course, TIME For Kids goes beyond answering the question, and dips into the science or history to further explain the answer in an easy-to-follow, straightforward manner. TIME for Kids The Big Book of Why: Really Cool People and Places is a must-have book to satisfy the most curious of kids.Presentation de l'diteurTIME for Kids The Big Book of Why: Really Cool People and Places answers the why, what, when, where, who and how questions about people and places in history that kids commonly ask, but adults can rarely answer.
